Happy Summer Everyone!

We are half way through the summer already. A lot of sports have already happened with still more to go.

Volleyball:

Volleyball is still our major participation activity with over 100 members playing. We have ten teams this year. We have two in the Advanced division and eight in the Intermediate. Andy Smith and Don Abbe's teams are our highest ranked ones. And there's still a lot of playing still to go. The next tournament is at Manhattan Beach on Sunday, August 9th and the playoffs are on September 13th.

Softball:

Our softball team is having one of its most successful seasons ever. As of the end of July, the team is only a game or two out of first place. Our roster is full again this year with a couple of new members playing, Christina C and Dennis L. Our main pitcher this year

has been Jim MacDonald but also Theresa S., Doug M., and Joe S. have pitched. The team has been managed by Keith Neilsen.

Tennis:

Nearly every Saturday we play tennis at Mira Costa High School. Usually we have a group of 6-8 players. More are always welcomed. If interested contact Stu by email: stugutten@aol.com.

Golf:

Usually the last Friday of the month Fred Wyld's organizes a golf social at a local golf course. For information contact Fred at fredwylds@yahoo.com.

A little too close for comfort, eh!

Message from the Prez

Welcome to summer!

We're halfway through the volleyball season already. A significant percentage of club members are playing in BCSC teams in this year's LAC Volleyball tournaments and having great fun.

There are just two more to go. We took over the running of the tournaments this year since we make up such a large proportion of the entries and we hope to grow it even more next year, so keep practicing! The last of our own tournaments will be the War of the Roses on Aug 29th. There will be both 2 and 4 man divisions, so do enter. We are also running a silent auction on behalf of this year's charity, which is the Beach Cities Volleyball Club. Money raised will go towards helping them fund underprivileged kids attend camps to learn volleyball, something they would otherwise never get the chance to do. The current financial climate means that there is an even greater demand for help, so it's a great way to help others share what we sometimes take for granted. We've already got some great prizes such as airline tickets, so come down to see

what bargains you can get. Also, if you are in a position to donate or persuade someone else to donate a prize, do let us know.

Also coming up is the annual club clambake. This is always a great event and popular with other ski clubs as well. It is also a chance to meet new faces. As always, check out the website for details. You can sign up and pay there too.

Finally, I'd like to say thanks to all those who help out to make our events a success. You know who they are since it is very often the same faces. Every event needs volunteers to make them possible. Volleyball nets don't put themselves up, food doesn't make its own way to a BBQ, and event flyers don't distribute themselves. A club is defined as an association of people united by a common interest or goal. If every member of the club helps out even just once, then we will be able to run more events without putting a disproportionate load on the small group of volunteers who usually do much of the work at them. Even just helping clear up at the end of an event helps.

See you at the beach.

Nick

Summer has been very busy for me and everyone on the board. We've planned several activities and social events, in addition to happy hours and the two volleyball tournaments that Beach Cities sponsors. We have a great tournament upcoming on Aug. 29th, which will also include a charity auction.

As you try to fit in some sun, fun, and vacation time into your busy lives, here are some of the activities that are planned for the upcoming months:

BCSC BBQ's - July BBQ is Wednesday, July 29th - location: Gary&Rose Mlynek's.

Aug. BBQ is Wednesday, Aug. 19th - location: Tracy Johnson's.

See the Beach Cities website Activities page or Calendar for addresses, directions, or talk to Stu at the beach on Wed. nights or Sundays.

AUG. 1st Dockweiler RV Park BBQ and-Firepit: An evite was sent to many members to invite them to participate in the BBQ and firepit evening at Dockweiler. If you are interested, please email to activities@bcsclub.org. You need to RSVP so we can plan on the correct amount of burgers and hot dogs to provide. You bring: your beach chair, side dish to

share, and your own alcoholic beverage. Alcohol may be consumed in the RV park only, not on the beach.

Sept 11, 2009 (Friday) Hollywood Bowl, - Join BCSC members and friends for a bus trip to Hollywood Bowl to listen to some great Brazilian music! it's the *Blame It On Rio* concert, with fireworks finale. SKI VP's:

BCSC is thrilled to announce: STEAMBOAT Ski Week 2010! Saturday, January 30 through Saturday, January 6, 2010

Steamboat Resort is world renown for their annual snow fall of over 360 inches per year and the quality of their “champagne powder” snow! We are staying in the base area, where we are a short walk to the gondola. The gondola area has grown over the years and has several restaurant and bars, etc.. The town of Steamboat Springs is a short 3 miles and a free bus ride away, with plenty more restaurants bars, shops, galleries and more.

Or last trip there was one of our best ever. From skiing with the legendary Billy Kidd, snowmobile riding, the Strawberry Hot Springs evening, the sleigh ride dinner & square dancing with cowboys, watching Johnny Moseley practicing his ‘dinner roll’ for the Olympics, to the infamous ski poaching night... but ahhh, I digress – but boy, we had a blast! Who’s ready to go back and do it again??

Here are the preliminary details: we have 42 pillows, and can take 20 singles and 11 couples. Single spots will be sold on a first come basis. Single who join on after the 20 spots are sold may join by purchasing a single supplement. Note that some of the following trip details may change.

Land Package:

- *Price to be determined – coming soon – promise!
- 7 night stay at The Lodge at Steamboat: These are highly recommended, very nice, 3 bedroom/ 3 bath units which are 200 yards from the gondola, shops and restaurants. They all have: a fully equipped kitchen, free high speed wireless internet access, a balcony or deck. The complex has: 4 outdoor hot tubs, 1 indoor hot tub, a heated pool, and on site guest laundry facilities. They offer a free private guest shuttle, and complimentary morning coffee & doughnuts, served in the clubhouse.
- 5-day (out of 6 day) Lift Tickets
- Single Supplements are available (\$tbd)

We are working on: Race, Picnic, Strawberry Hot Springs evening trip, wine & cheese parties and more!

Continued on next page

Ski VP continued:

Air & Ground Transportation: We are planning on flying into Hayden, just 22 miles from the resort. Direct flights are not available into Hayden. We are currently holding Delta air seats, and are awaiting for United to issue their schedule and pricing. The Delta flights go through Salt Lake City. United flights go through Denver. The group seats will be purchased together on one of the carriers – we will not use both. Note that you are welcome to choose to arrange your own air & ground transportation.

To Sign Up: Keep an eye on the BCSC website for the Steamboat 2010 Reservation Form. It will be posted soon at: www.bcskiclub.org
